WORLD ENERGY FORUM 2014

A FORUM FOR WORLD LEADERS

Under the Patronage of His Royal Highness Prince Charles, Prince of Wales and the Crown Prince of the United Kingdom

July 21-24, 2014

ExCeL London, United Kingdom

ENERGY FOR ALL

WELCOME MESSAGE

From President and Chairman of the Board of Trustees World Energy Forum

World Energy Forum 2014 will be held on July 21-24 in the majestic city of London, United Kingdom, under the patronage of His Royal Highness Prince Charles, Prince of Wales and the Crown Prince of the United Kingdom.

More and more the world is focused on economic and social development and the pursuit of human well-being. We will be coming together in London to meet the 21st century challenges of energy, water, and environment. We will embrace innovative ideas while learning from time-honoured wisdom as we seek solutions that can affect the destiny of all nations and peoples.

World Energy Forum 2014 will provide a preeminent platform where world leaders, international corporations, and experts will engage in a transparent, impassioned, yet neutral discussion of global issues facing the human race.

I look forward to welcoming you in London.

Dr. Harold Hyunsuk Oh

PROGRAM OVERVIEW

MONDAY, JULY 21, 2014 Day One SUMMIT

World leaders will share their vision of achieving an energy-sustainable world that enhances global economic and social development. This requires the commitments from the highest political authority and international cooperation.

United Nations Address

World Bank Address

Heads of State Addresses

Evening Gala

TUESDAY, JULY 22, 2014 Day Two MINISTERS

Ministers Roundtables will focus on national and international energy policies as they relate to various energy practices as well as green economy and sustainable development. The roundtables will also focus on public-private partnerships as a means to achieve policy objectives.

Roundtable on Fossil Fuel
